KMT SOURCE OUTLINES CCP-USSR SECRET PACT

Taihoku, 25 January -- A KMT spokesman of the G-2 Section of the Ministry of National Defense has revealed that the section has reliable information indicating that a secret pact was concluded recently by the Chinese Communist government and the USSR. The gist of the secret pact, as outlined by this spokesman, is as follows:

1. Soviet air and naval forces will cooperate with the CCF forces in the invasion of Taiwan and Hainan.
2. Technical and staff personnel will be supplied to the CCP by the Soviet Union when the CCF forces undertake military operations in Viet Nam and Thailand.
3. Many high-ranking Soviet advisors will be attached to the CCP government to assist in its administration.
4. The right to use any air or naval base in China is granted to the Soviet Union.
5. The Soviet Union is to undertake the guidance and training of 5 million Chinese in the Northeast.

According to an unofficial source, it is also reported that the CCP recently purchased 200 bombers from Czechoslovakia, and that there are many Soviet pilots now stationed in Kuang-chow.
